The Director,  
Computer Science Department,

**Subject:** Request for Scholarship Assistance

Respected Sir,

With due respect, I am writing to request your kind consideration for financial assistance through the Bait-ul-Mal Scholarship program to continue my education.

My father is a mason by profession and works very hard to support our family. However, his salary is insufficient to meet our educational expenses, and we have no other source of financial support. Along with his low income, my father is aged and also suffers from several minor diseases, which further reduce his capacity to work on a regular basis.

Despite these challenges, I am determined to pursue my studies and build a better future for myself and my family. I believe that with your kind support, I will be able to continue my education without being a burden on my father's limited income.

I therefore request you to kindly grant me the scholarship assistance. Your generous support will not only help me complete my education but will also give my family hope for a better tomorrow.

I shall remain ever thankful for your favorable consideration.

**Yours obediently,**
